The screenshot displays the Express Invoice software interface. The window title is "Express Invoice [NCH Software]". The menu bar includes "Invoice", "Reports", "View", "Tools", and "Help". The toolbar contains icons for "Invoice", "Payment", "Reports", "View", "Web Access", "Options", "Buy Online", "Suite", and "Help".

The main dashboard features several action items:

- Create New Invoice:** Click on this to create a new invoice for a customer.
- Apply Payment:** Click on this to apply a payment for a customer.
- Reports:** Unpaid Accounts Report, Invoices Report, Payments Report, More ...
- Additional Options:** Change configuration settings.

The left sidebar contains a "To-Do" list with "Run Statements" and "Back Up Data". Below it are sections for "Invoices" (Create New Invoice, Open Invoices List), "Quotes/Orders", "Payments" (Apply Payment), "Customers" (Add New Customer, Open Customers List, Run Automatic Statements), and "Items" (Add New Item).

A sample invoice is overlaid on the bottom right, titled "millebrewer" and "Tax Invoice". It includes a table with columns for "Description", "Unit Price", and "Total". The word "SAMPLE" is printed in large red letters across the invoice.

At the bottom of the window, the status bar shows "Express Invoice © NCH Software" and "Company Profile: NCH Software".
